

Media Assistance Request Form

The Sedona Chamber of Commerce & Tourism Bureau (SCC&TB) encourages travel writers to utilize our Communications Manager for information about Sedona, story angles, photographs and possible assistance. While we do not plan your entire press trip, pay for travel or host your experiences, we are happy to make recommendations and connect you with Sedona Chamber partners for collaboration or hosted experiences. Although the chamber makes every attempt to accommodate travel writer requests, we may have limited availability during peak seasons (March-May, September-October) due to our partners' low inventory, which is why we ask reporters to give a two-month lead time for press trip collaboration whenever possible.

The SCC&TB has compiled a complete [2021 Sedona PR Presskit](#) with Sedona history, fact sheets, vortex information, maps, top attractions, events and activities in the area. Feel free to download.

Please attach your publication's press kit, letter of assignment and this form to get connected with chamber partners. We look for publication websites to have over one million page views per year and social media accounts to have over 100,000 followers. Email pr@sedonachamber.com.
