

## **MOTHER'S DAY SPECIAL 2 FOR 1 HALOTHERAPY**

Give the gift of HEALING. \$35 (value \$88) Halotherapy is where pure salt is ground and crushed into very tiny microparticles. These microparticles of salt are then dispersed into the salt room. As an individual relaxes, the microparticles are inhaled. The particles penetrate deep into the lungs, bronchi, bronchioles, and alveoli to aid respiratory concerns, while the non-inhaled salt particles are absorbed by the body to combat skin conditions.
