

## **SNAP FITNESS FUNDS THE FIGHT**

Our Snap Fitness community is rallying together to support the fight against cancer. Every year, countless families are affected by this disease, and it impacts not only the patients but also their loved ones. Together we can make a difference! That's why we've teamed up with the American Cancer Society and set a goal of \$50,000. We've all been touched by cancer in some way, and now is our chance to give back. Donate today and get a 2 week trial on us!
